

## **Abstracts due 10 March**

**Please note the deadline for submitting abstracts  
for ION GNSS+ 2017 is Friday, 10 March**

**A reminder has been received for abstracts for  
ION GNSS+ 2017: GNSS + Other Sensors in Today's Marketplace.**

This is the 30<sup>th</sup> International Technical Meeting of the Satellite Division of the Institute of Navigation.

The conference will take place from 25-29 September, 2017 (with Tutorials on 25 / 26 September) at the Oregon Convention Center in Portland, Oregon.

**ION GNSS+ 2017** is said to be the world's largest technical meeting and showcase of GNSS technology, products and services, and will bring together international leaders in GNSS and related positioning, navigation and timing fields to present new research, introduce new technologies, update current policy, demonstrate products and exchange ideas.

ION GNSS+ 2017 will feature two unique tracks, each with different abstract and manuscript submission requirements:

### **APPLICATIONS & ADVANCES TRACKS**

- Mass Market and Commercial Applications
- System Updates, Plans and Policies
- High Performance and Safety Critical Applications

### **RESEARCH AND INNOVATIONS TRACKS**

- Autonomous Systems Technology and Applications
- Multisensor Navigation Algorithms and Applications
- Advanced GNSS Algorithms, Methods and Technology

### **PEER REVIEW OPTION**

Research and Innovations Track paper submissions will have the option to be peer-reviewed.

**Abstracts must be received by Friday, 10 March, 2017.**

**For information on ION GNSS+ 2017 or for instructions for submitting an  
online abstract, readers are invited to visit [www.ion.org/gnss](http://www.ion.org/gnss)**
