Life-Saving Appliances inc. LSA Code, 2017 Edition (IE982E). Price £30, ISBN 978 92 801 1654 0.

IMO reports the issue of the above in recent days. This publication contains the three most important IMO instruments dealing with life-saving appliances, namely the International Life-Saving Appliance (LSA) Code, the Revised Recommendation on Testing of Life-Saving Appliances and the Code of Practice for Evaluation, Testing and Acceptance of Prototype Novel Life-Saving Appliances. It provides international requirements for the life-saving appliances required by chapter III of the 1974 SOLAS Convention, including personal life-saving appliances such as lifebuoys, lifejackets, immersion suits, anti-exposure suits and thermal protective aids; visual aids, such as parachute flares, hand flares and buoyant smoke signals; survival craft being life rafts and lifeboats; rescue boats; launching and embarkation appliances and marine evacuation systems, line throwing appliances; and general alarm and public address systems.
