

Training Seminar on the IALA Risk Management Toolbox IWRAP Mk2; PAWSA and Simulation

The IALA World-Wide Academy, in conjunction with China Maritime Safety Administration (China MSA), will run a training seminar on the IALA Risk Management Toolbox – IWRAP Mk2; PAWSA and Simulation – from 11 to 15 September 2017 at Jimei University, Xiamen, China.

The seminar will provide an international and regional overview of risk management stressing the importance of stakeholder liaison before demonstrating the value of the three IALA Risk Management Tools – IWRAP Mk 2; PAWSA and Simulation – to national administrations in waterway planning. Participants will benefit from both theoretical and practical training delivered by world experts in different aspects of the toolbox.

More information can be found in the flyer to be found as a pdf nearby.

Potential delegates may book directly by way of this link:
