

## **ION ITM PTTI 2018**

[www.ion.org](http://www.ion.org)

The deadline for submission of abstracts for the (US) Institute of Navigation (ION) co-located International Technical Meeting (ITM) and the Precise Time and Time Interval (PTTI) Systems and Applications Meeting is 10 October, 2017.

Readers are invited to submit abstracts online for the co-located ION ITM/PTTI 2018 conference that will take place from 29 January to 1 February, 2018 at the Hyatt Regency Reston, Reston, Virginia.

ITM is the ION's winter meeting with peer-reviewed technical papers related to positioning, navigation and timing and includes the ION Fellows and Annual Awards presentations.

PTTI is the annual technical conference designed to disseminate and coordinate PTTI information at the user level; review present and future PTTI requirements; inform government and industry engineers, technicians and managers of precise time and frequency technology and its problems; and provide an opportunity for an active exchange of new technology associated with PTTI.

ITM/PTTI 2018 will also feature a technical exhibit and showcase of products and services related to positioning, navigation and timing.

For more information on exhibiting at ITM/PTTI 2018, readers are invited to visit [www.ion.org/ptti/exhibits.cfm](http://www.ion.org/ptti/exhibits.cfm) or call ION at 1-703-366-2723.
