

(US) ION extra workshop
29 January, 2018
0830 to 1730
Hyatt Regency, Reston, Virginia

The (US) Institute of Navigation informs that it will be hosting a *Cognizant Autonomous Systems for Safety Critical Applications Workshop* on 29 January at the Hyatt Regency, Reston in Reston, Virginia.

The workshop is complementary but registration is required to attend.

Preliminary information on the workshop can be found at www.ion.org/cassca/index.cfm

This workshop is being held in coordination with the ITM/PTTI* 2018 conference and in parallel with the PTTI tutorials.

ITM/PTTI 2018 will be held from 29 January to 1 February, 2018 at the Hyatt Regency, Reston, Virginia. (see Calendar item for these dates at www.iainav.org)

ITM/PTTI technical sessions will be held from 30 January to 1 February.

* International Technical Meeting/Precise Time and Time Interval.
