

**19<sup>th</sup> IALA Conference 2018**  
**Incheon, Republic of Korea**  
**27 May 27 to 2 June 2018**  
[www.iala2018korea.org](http://www.iala2018korea.org)

The **2<sup>nd</sup> Announcement** for this four-yearly event has been issued.

The conference will be hosted by the Ministry of Oceans and Fisheries of the Republic of Korea with IALA.

The theme will be:

**Successful Voyages, Sustainable Planet**  
**A New Era for Marine Aids to Navigation in a Connected World**

The Conference includes a broad technical programme of cross-disciplinary presentations by world-class experts and an Industrial Exhibition providing first-hand viewing of the latest R&D, innovative aids to navigation products and services, and related exhibits of contemporary interest and future promise.

A novel feature of the Conference will be a Heritage Exhibition which will showcase the unique cultural significance of lighthouses around the world.
