The IALA World-Wide Academy, in conjunction with Ports and Maritime Public Domain Directorate (Ministry of Equipment, Transport, Logistics and Water, Kingdom of Morocco), take the opportunity of the second Preparatory Diplomatic Conference, held on 7-8 February 2018 in Marrakesh (Morocco), to raise awareness on maritime safety in Africa by arranging a Seminar on this theme on the same venue, immediately prior to the conference on 6 February 2018 in Le Palais des Congrès Mogador in Marrakesh, Morocco.

The Seminar aims to enable participants to be fully aware of coastal states' obligations, of international organisations' strategies (for example those of IALA and IHO), and will take into account actions implemented in Africa to determine the way ahead for safety of navigation in the continent

Furthermore, the Seminar will be an added value for Marine Aids to Navigation managers of the region who would then participate in the 2<sup>nd</sup> Preparatory Diplomatic Conference.

More information will be available shortly, it is understood.
