

GCS'18

Moshe Idan, IAAC President, sends a reminder that the deadline for submissions to GSC'18 is nearing.

To the community: mark your calendars for this exciting event.

The program will be finalized and distributed in a couple of weeks.

He writes:

Dear IAAC members,

In the link below

<http://iaac.technion.ac.il/workshops/2018/GSC18call.pdf>

Please find the call for presentations for GSC'18 - the 2018 annual workshop of Graduate Students in Systems and Control, where graduate students in systems and control from Israeli universities are invited to present their latest research results.

These meetings provide an opportunity for the graduate students to present their work to senior faculty members and to interested delegates from industry, as well as get acquainted with the work of their peers. For details on past GSC workshops see:

<http://iaac.technion.ac.il/events.html>

GSC'18 is organized by Dr. Shai Arogeti and will be held on April 23, 2018 at the Ben-Gurion University of the Negev.

The deadline for submissions is 23 March, 2018, which is also the deadline for expressing interest to be a candidate for the Velger Prize - see details in the call.

The workshop is, as usual, free of charge, but requires advance registration - details to follow.

*Please save the date of 23 April, 2018 for this exciting annual event.
See you all at the GSC'18.*

*Moshe Idan
IAAC President*
