Location: Daniel Hotel, Herzliya, Israel

For more details readers are invited to visit: <http://iaac.technion.ac.il>

A separate message will be sent when the registration opens, about one month before the workshops.

In addition readers are invited to note that the IAAC co-sponsored 27<sup>th</sup> Mediterranean Conference on Control and Automation, MED 19, will be held in Akko, Israel, from 1-4 July, 2019.

For full details and the call for papers readers are invited to visit: <https://med19.net.technion.ac.il>

In the words of Moshe Idan, IAAC President:

***‘Save the dates and spread the word!  
See you all at the workshops and MED 19’***
