

2019 Living Planet Symposium

13-17 May 2019

MiCo - Milano Congressi, Milan, Italy

<https://lps19.esa.int>

The abstract submission portal for the forthcoming **Living Planet Symposium 2019** (Milan, Italy, 13-17 May) is now open here:

<https://lps19.esa.int/PresentationPortal/Account/Login?ReturnUrl=%2FPresentationPortal%2Fliving-planet-symposium-2019%2Fabstracts>

The strict deadline for the submission of abstracts is: 11 November 2018

The LPSA19 Symposium has extended an invitation to readers to participate in the European Space Agency's 2019 Living Planet Symposium.

This event, which is held every three years, will take place on 13–17 May 2019 in Milan, Italy. The Symposium is organised with the support of the Italian Space Agency and the European Commission.

Here the focus is on how Earth Observation contributes to science and society, and how disruptive technologies are changing the traditional Earth Observation landscape, which is also creating new opportunities for public and private sector interactions.
