

**Offshore Survey 2019**  
**Call for Abstracts**  
**Submission of Abstract Deadline 14 December 2018**

Organisers of Offshore Survey 2019 advise that it will once again be held alongside the Ocean Business event, from 9 – 10 April 2019 in Southampton, UK.

This will be the sixth Offshore Survey conference and all interested parties are **invited to submit an abstract online by 14 December 2018**. Each abstract will be peer-reviewed and a final programme will be announced in January 2019.

The offshore survey community are encouraged to come forward with papers suitable for sessions on the following:

- Subsea Positioning
- Hydrographic and Seabed Survey Systems
- Survey Operations
- Data Processing and Visualisation
- Industry and Professional Issues

**Registration details and more are available here:**
