[Submit your abstract](#) today for ION GNSS+ 2019: GNSS + Other Sensors in Today's Marketplace, the 32nd International Technical Meeting of the Satellite Division. The conference will take place September 16-20, 2019 (Tutorials September 17) at the Hyatt Regency Miami in Miami, Florida.

The abstract deadline is March 1, 2019

ION GNSS+ 2019 features two unique tracks:

COMMERCIAL AND POLICY TRACKS

- Mass Market and Commercial Applications
- Current Status and Future Trends in GNSS
- High Performance and Safety Critical Applications

RESEARCH TRACKS*

- Autonomous Systems Technology
- Robust Multisensor Navigation
- Advanced GNSS

*** PEER REVIEW OPTIONS IN RESEARCH TRACKS**

Authors whose abstracts are accepted in these sessions (either as a primary or as an alternate presenter) will have the option to have their paper peer-reviewed.

Instructions on submitting your abstract can be found at:

<https://www.ion.org/gnss/call-for-abstracts.cfm>

ION GNSS+ 2019 is the world's largest technical meeting and showcase of

GNSS technology, products and services. It brings together international leaders in GNSS and related positioning, navigation and timing fields to present new research, introduce new technologies, update current policy, demonstrate products and exchange ideas.

Submit your abstract today at <https://www.ion.org/gnss/call-for-abstracts.cfm>

See you in Miami!
