

# **The 13<sup>th</sup> Arctic Shipping Summit**

**Hamburg, 5-6 December 2018**

**Registration closes 30 November 2018**

This two-day Conference will bring together companies and organisations such as National Coastguards Senior Arctic Government Officials, Shipping Companies, LNG Projects, Lawyers, P&I Clubs, Arctic Researchers and Lecturers and many more in an effort to provide an interactive and open event.

## **Venue**

The event will be held at the SIDE Design Hotel, Drehbahn 49, 20354 Hamburg, Germany

## **Key Topics include:**

- The Polar Code: Where does the industry currently stand?
- Examining new Arctic infrastructure developments
- Insurance concerns: understanding risk in Arctic shipping
- Assessing the geo-political landscape in the Arctic: How does this effect the shipping industry?
- Shipping in the Arctic: practical case studies of operations
- Arctic cruises: How is this emerging industry evolving?
- Meeting training requirements and guaranteeing crew competence
- The future of Arctic shipping
