

Secretary-General of IMO to speak at the e-Navigation Underway International Conference 2019

Together with Francis Zachariae, Secretary General of IALA, HE Kitack Lim, Secretary General of IMO will attend the opening of the e-Navigation Underway International Conference.

The ninth in the series e-Navigation Underway International conferences will take place from 6 to 8 February in the vessel *Pearl Seaways* en route Copenhagen -Oslo-Copenhagen.

Under the theme Paving the Way for a Digital Maritime World this year's conference will focus on the benefits and barriers when implementing e-navigation technologies. As always, the e-Navigation Underway brings together stakeholders from all over the world and presents expert speakers from research, industry and governments.

This year's speakers includes Anne H. Steffensen, Director General and CEO, Danish Shipping, Todd Schuett, Innovation Projects Manager, Kongsberg Norcontrol AS and Michael Bergmann, Senior Advisor, Rise - Research Institutes of Sweden.

Details of Speakers, the Programme and Registration can be found here:
