

## **Sealite webinar: The Role of IALA**

**15 December 2020/1100 Paris time**

Marine aids to navigation manufacturer Sealite ([www.sealite.com](http://www.sealite.com)) welcomes Francis Zachariae (FZ), Secretary-General of the International Association of Marine Aids to Navigation and Lighthouse Authorities (IALA) to speak on his organisation in a forthcoming webinar.

Francis will discuss the history of IALA and the organisation's focus on the development of standards and guidelines to ensure the safety of all mariners. He will also discuss IALA's strategic move towards becoming an intergovernmental organisation (IGO).

Hosted by Malcolm Nicholson, global product manager for Sealite, this webinar is the opportunity to find out what is next for the marine industry to help it best prepare for these forthcoming changes.

Registration may be effected here:
