*‘Dear IAAC list subscribers,*

*‘I’m pleased to announce the forthcoming IAAC workshop on Missile Guidance, which (touch wood) will be held in the Daniel Hotel, Herzliya on 18 October, 2021. The workshop is organized by Dr Haim Weiss from RAFAEL. The program and the registration form are available in the workshop invitation and more details can be found in its book of abstracts.*

*‘Please visit the IAAC web site for information on upcoming activities. I kindly remind that all IAAC events take place on Mondays, which has been the official Control Day (C-Day) in Israel for ages. It’s thus urged to refrain from scheduling teaching or other permanent commitments on Mondays.*

*‘On this occasion, I would like to wish all you and your nearest and dearest a healthy and joyful 5782.’*
