

**IAAC Missile Guidance workshop
(Early registration reminder)**

Leonid Mirkin (mirkin@TECHNION.AC.IL) has written to all IAAC list subscribers by way of reminder that the early registration deadline (10 October) for the IAAC workshop “Missile Guidance” is approaching.

The workshop will be held on 18 October and its programme and the registration form are parts of the workshop invitation.

More details can be found in its book of abstracts available here: <http://iaac.technion.ac.il/workshops/2021/2021-10-18-boa.pdf>

He advises that visitors take into consideration that the workshop will require a valid Green Pass to enter.
